

INVESTOR SPOTLIGHT

**Mark Ulrich,
Senior Vice President,
Poms & Associates**

Mark Ulrich is the Senior Vice President of **Poms & Associates**. His focus is consulting nonprofits on risk management and providing optimal health benefit plans that help employers save money through reduced claims while increasing employee retention.

Since 1991, Poms & Associates is dedicated to educating businesses by providing cost-effective solutions that can help lower employers risk. Their mission is to provide a comprehensive service that helps their clients improve and protect the community.

"As a leading full-service insurance brokerage and risk management firm headquartered in the San Fernando Valley, Poms & Associates is proud to support The Valley Economic Alliance. With a company-wide emphasis on education and supporting entrepreneurship, Poms has grown to more than 100 employees and has branch offices in Woodland Hills, West LA, Sacramento, Walnut Creek, Albuquerque, New Mexico and Dayton, Ohio. Poms & Associates offers a wide range of products and services, including commercial insurance, risk management, loss prevention, employee benefits, corporate wellness and private services for high net-worth individuals," said Ulrich.
