GRANT OPPORTUNITIES:

Grants.gov

Grants.gov is an E-Government initiative operating under the governance of the Office of Management and Budget. Under the President's Management Agenda, the office was chartered to deliver a system that provides a centralized location for grant seekers to find and apply for federal funding opportunities. Today, the Grants.gov system houses information on over 1,000 grant programs and vets grant applications for federal grant-making agencies.

Grants.ca.gov

The California Grants Portal (a project by the California State Library) is your one destination to find all grants and loans offered on a competitive or first-come basis by California state agencies.

Website: www.grants.ca.gov

GrantStation.com

GrantStation.com, Inc. offers nonprofit organizations, educational institutions, and government agencies the opportunity to identify potential funding sources for their programs or projects as well as resources to mentor these organizations through the grantseeking process.

OpenGrants.io

OpenGrants is a team of entrepreneurs, technologists, and philosophers working to improve grant funding processes. Their mission is to create modern infrastructure that enhances the efficiency and equity of public funding. OpenGrants aims to empower individuals globally with access to grant resources by organizing the funding ecosystem and providing data-driven tools for smarter decision-making.
